ONE VOICE DUNDALK CHAMPIONS OVERDOSE AWARENESS

Led by Executive

Director Tony Wright
and Assistant

Executive Director
Sherica Dillworth, One

Voice of Dundalk, a
recovery center ran by
On Our Own Inc.,

received an award of
recognition for their
service in the commu-
nity from the Maryland
House of Delegates,
handed directly by
Delegate Ric Metzgar

of the 6th district of
Maryland.

On Our Own
Inc. and One Voice of
Dundalk aims to,
according to their mis-
sion statement, pro-
mote "... equality in all

aspects of society for
people who receive
behavioral health ser-
vices and develops al-
ternative, recovery-
based behavioral health
initiatives." In recent
debates, due to the
overwhelming narcotic

epidemic within Balti-
more, there has been a
large stigma placed on
those who may be in
recovery from addic-
tion, have mental
health disorders, and or
are homeless.

ONE VOICE DUNDALK CHAMPIONS OVERDOSE AWARENESS

Despite this stigma, On Our Own Inc. and One Voice of Dundalk have aimed to reach out to the local community to provide care to those who would not receive it otherwise. This care has assisted in slowly and methodically bridging the community back together. Although there is still much work to be done, On Our Own Inc. and

One Voice of Dundalk has substantially and significantly assisted the Dundalk community, and thus deserve

the recognition which they were bestowed upon by the Maryland House of Delegates.

P o e t r y C o r n e r

We live here today.

But we will live as we all have dreamed to come true.

*I listen to the radio thinking there's feeling not here.
The felt of rage going throughout but I want to scream.*

*But how foolish it would be for me to do that now
For people would come to take me away with no one
there.....*
